STATEMENT OF TELEPHONE INTERVIEW

Sir:

A summary of the substance of the telephone Interview of May 2, 2007 is provided by Applicants' attorney as follows:

Applicants' attorney appreciates the time spent and the courtesy shown by Examiner Saqib Siddiqui and Examiner Guy Lamarre during the telephone Interview of May 2, 2007.

During the telephone Interview of May 2, 2007, the prior art cited Sarrica

Serial No. 10/821,160

et al. publication entitled, "Theory and Implementation of LSSD scan ring & STUMPS channel Test and Diagnosis" in view of Rajski, U.S. patent 6,662,327 were discussed, with respect to claim limitations. More particularly, the recited claim limitations of independent claim 1 with respect to the teachings of these prior art references.

Applicants' attorney agreed to prepare an amendment to further define the claimed invention to more clearly state the invention and to distinguish over the references of record.

An amendment filed May 16, 2007 includes amended independent claims 1, 13. and 19, as amended that further more clearly define the invention and distinguish over the references of record, as discussed during the telephone interview.

If the Examiner upon considering this amendment should find that a telephone interview would be helpful in expediting allowance of the present application, the Examiner is respectfully urged to call the applicants' attorney at the number listed below.
